Newsletter No.4

Dear Parents,

**Welcome back to the Second Term of 2018!** And while you are not part of our teaching staff you are just as important to your children's education as we are.

Your children receive the best education when you and our dedicated teachers work as a team. It is a parents enthusiasm, support and involvement that inspires children to do their best and a teachers ability to teach what they need to learn.

**Together we can achieve wonderful things.**

We trust that you enjoyed paging through your child's class file, which contains the work carried out during the first term. If these files can please be returned to the respective teacher as soon as possible.

### Parent Involvement

Please get in touch with **Karen** or **Maureen** our school Principals, if you would be prepared to assist the school in any way possible.

There is a wide range of opportunities! We would love to hear from anyone who is willing to lend a hand.

We value the opportunity to talk to parents. If you do have any queries or concerns, please do not hesitate to contact your child's class teacher.

### Theme Table

We have on display a theme table, which individually represents the numerous themes being covered during the year. This table provides stimulation and encouragement to the children. It would be very much appreciated if you could support us in making this table as informative and exciting as possible, by sending relevant items for display.
